<https://test.homesweethomeproperties.co.uk>

Located a short walk from the town centre, this end of terrace has been fully refurbished by the current owner to a particularly high standard, resulting in a very desirable period home. To the ground floor there is a large living room and a dining kitchen, with the first floor having three double bedrooms and a contemporary shower room. Externally there is a terraced walled garden providing a quiet oasis to relax. Being offered to the market chain-free, an early inspection is strongly recommended.
